Dear Sir or Madam,

I am writing to you to apply for data scientist role in your company because I believe I have the technical skills, experience and creative vision to succeed in the role.

From 2014 to 2018, while working at , Nokia Shanghai Bell Co. , Ltd , July 2017 to Developed Web data statistics and visualization tools based on Spring MVC andSpring Built an online computing and display platform for the Department of FixedNetwork Development ' s training , development and data statisticsExtracurricular Activities. Also, .Throughout this project, I learnt how to collaborate and work effectively in a team in order to accomplish a common goal.

The role of data scientist at your company is a promising next step in my career, and one where I'm confident I can advance my skills and create dynamic, innovative AI solutions for more clients than ever before.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new techniques are important to me and success of your organization. I have attached a copy of my resume that details my experience. I can be reached anytime via cell phone, +65-93752168 or via email at liyingxujiachen@hotmail.com. Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Yours faithfully,

**Virtual Assistant on behalf of Mr. ISS NUS**
